Dear Stan:

I have read your Annual Report on the Intelligence Community for the calendar year 1978. I have found it thorough and informative. It seems to me an excellent summary. As a bench mark, it provides a good guide to measure the performance of the community in future years.

From our point of view, the relationship between the Committee and the community has been one of general forthright cooperation. I want you to know that I appreciate the efforts that you have made to assure that the relationship of trust and confidence that exists will continue.

With kind regards,

Sincerely,

Birch Bayh
Chairman
